Products

- **Casement & Awning**

Simplicity is a thing of beauty. Casements and awnings provide convenience and energy conservation in one easy-to-use, even easier-to-look-at unit. The Pinnacle casements and awnings offer maximum light, excellent ventilation and simple cleaning. With an endless number of sizes and options, we can make a casement or awning for any room in your home. We use a thick, two-inch sash and our special tape and silicone glazing method to increase insulation and, more importantly, reduce your energy bills. Our sleek, single-lever, multi-point hardware makes for effortless operation and a tight, leakproof fit.

- **Double Hung & Glide-by**

We've made your world easier. Windsor's double hung and glide-by windows are not only an attractive addition to a home, they are extremely easy to maintain. The sash on the double hung easily tilts in and removes for easy cleaning. Our unique locking shoe balance system also allows you to effortlessly replace or remove individual sashes. Clad units come with heavy-duty .050 extruded aluminum cladding that resists the elements.

- **90-degree Corner Window**

Wrap your room in natural light. Introducing a 90-degree corner window designed with clean, straight lines to maximize your view. Whether you want to finish off a sunroom with architectural interest or create expansive panoramic views in a kitchen, our corner windows are built to give your project a bold, modern look.

Our Pinnacle clad 90-degree corner window is constructed with a low profile direct set frame, allowing for architecturally correct alignment and sightlines with other Pinnacle clad low profile direct set and radius products. Increased visible glass provides a clear view of the outside world, while high-performance thermal ratings maintain a comfortable indoor environment.
